 - b) Entrants in Open Championships should specify on the entry form their choice of set dance
 - c) Open Championship competitions in the minimum required age groups must be offered separately in the syllabus, yet the feis committee may combine an age group with the next higher age group if there are fewer than 5 competitors entered in the lower age groups. A feis committee is not permitted to combine dancers from one open championship age group with any age groups which is more than one age groups higher than the age group in which the dancers are entered

 - c) A dancer in a preliminary championship is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men) and a hard shoe dance. A Feis can opt to offer either (a) a set dance) or (b) a jig/hornpipe or (c) both a set dance and jig/hornpipe
 - d) Boys and Girls will be combined in preliminary championships –Please note the separation policy involving five or more boys
 - e) Preliminary Championship competitions must be offered separately in the syllabus for the minimum required age groups, yet the feis committee may combine an age group with the next higher age groups if there are fewer than 5 competitors entered in the lower age group. A feis committee is not permitted to combine dancers from one preliminary championship age group with any age group which is more than one age group higher than the age group in which the dancers are entered.
- 17) Open Championships and Preliminary Championships require at least three adjudicators.
- 18) First place winners in the Open Championship category cannot return to a Preliminary or Open (Prizewinner) competition. Placing in a Regional or National Oireachtas does not change the status of a competitor. - 19) The status of the dancer does not change unless there are five or more dancers in a competition.

20) In championship events or solo set dance events: Introductions for set dances will be played only once and competitors must set their speeds during that one playing, no variation in speed will be allowed once dancing is due to commence. Dancers beginning before or after the stipulated set-dance introduction will automatically receive a zero for that round from the/or all adjudicators. (CLRG AGM 2011)

21) Grade Category Definitions:
