

McMahon School Class Mini-Feis (*And Picture Day*)

Sunday May 19th, 2019 - 12:00-2:30pm

Doors open at 11:00am

Seton Catholic School 165 Rhinecliff Dr, Rochester, NY 14618

WHAT:

This is a “mock” competition AKA: Feis. There will be 1 stage and a Certified Adjudicator providing feedback for each dancer in each dance they perform. This is a great way to prepare for the upcoming Feis season, give competition a try, and receive an assessment of your dancing.

Dancers are not competing against each other, there are no placements, but will get detailed feedback on each dance performed, including Team dances, and receive a Medal.

Dancers will perform in costume as they would at a Feis. Teams will be performed in School costumes, Solos performed in Solo costumes (if applic.)

WHO:

McMahon School students only, Beginner dancers through Open Championship are expected to participate if you intend to Feis in the upcoming year. Non-competitive dancers are encouraged to participate for a dancer-assessment and build their stage presence and gain a sense of achievement.

WHY?

To provide an opportunity for our younger dancers and parents to experience what a Feis is all about and prepare them for the “real thing” in a much smaller scale. For advanced dancers to receive comments and critiques from an adjudicator to enhance their skills and their Feis performance.

PHOTO DAY:

Individual pictures will be offered by a Professional Photographer. Package Info - available soon.

SPECTATORS:

Family are welcome to attend, there is no Admission Fee. Unlike a real feis, you will be able to video and take pictures of your dancer performing on stage.

Volunteers (parents and/or experienced dancers) are needed for various parts of the Feis (marks runners, awards table, stage helpers) and to share your experiences and helpful tips for the best way to enjoy the Feis experience.

Registration Fee: \$25 per dancer / Family Max: \$45

No admission fee for parents and viewers (not typical for Feiseanna)

*** *Registration Fee includes: Judges Comments, Medal, & Certificate* ***

Adjudicator: Liam Harney, ADCRG
