All other categories are excluded from this rule. Modest attire is encouraged when competitor is not dancing. Costumes for both boys and girls should not include representations, such as globes, medals, or any other item symbolic of an award having been achieved effective Jan 1, 2013. - 11) The Feis reserves the right to reject any entry for cause, to cancel all or part of the Feis and to limit competitor’s performing time. The decision of the Feis committee is final in all matters connected with the Feis.

- 12) Competitors must answer all questions as required by the Feis Entry committee, including teacher's name, and enclose the entry fee when mailing. Failure to do so will result in a rejected entry. Entries must be postmarked on or before the closing date or they will be subject to a late fee as determined by the Feis committee and published on the syllabus and/or entry form. There will be no refunds of entry fees for any reason.
- 13) Open Championships:
- Entrants in any Open Championship event may not enter in any other regular grade solo events, but may enter in Figure Dances and/or special competitions for which they are eligible (e.g. traditional set, treble reel, non-traditional set dance).
 - Entrants in Open Championships should specify, on the entry form, their choice of set dance.
 - Open Championship competitions in the minimum required age groups must be offered separately in the syllabus, yet the feis committee may combine an age group with the next higher age group if there are fewer than 5 competitors entered in the lower age group. A feis committee is not permitted to combine dancers from one open championship age group with any age group which is more than one age group higher than the age group in which the dancers are entered.
 - A dancer is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men) and a set dance. A Feis can also opt to require a third dance (choice of jig/hornpipe)
 - Dancers must qualify for Open Championship via the method now in place for Preliminary Championship, i.e. two 1st place wins.
 - Dancers must compete in the Preliminary Championship competition in order to qualify for Open Championship.
- 14) Girls and Boys competitions in Open Championships will be combined in the syllabus. If three or more boys are entered in a specific age group in a combined Open Championship competition, the boys and girls must be split into separate competitions. If separate Boys & Girls competitions in Open Championships are offered in the syllabus, they may not be combined under any circumstances on the day of the feis.
- 15) Preliminary Championships:
- are open to those who, at any NAFC recognized Feis:
 - Have placed 1st in both an Open (Prizewinner) light and heavy shoe competition, and
 - Have never won 1st, 2nd or 3rd in Open Championship.
 - A dancer who wins two First Place Preliminary Championship awards in one calendar year will move on to Open Championship the following year (as of Jan 1); if the second first-place win does not occur within the same feis year as the first win, as soon as the second win is achieved, in any age category, the dancer must move up to Open Championship level immediately. Only in the case of back-to-back Feiseanna (successive days), the first win in the first Feis will not change the dancer's status for the second Feis.
 - A dancer in preliminary championship is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men) and a hard shoe dance. A Feis can opt to offer either (a) a set dance or (b) a jig/hornpipe or (c) both a set dance and jig/hornpipe.
 - Boys and girls will be combined in preliminary championships.
 - Preliminary Championship competitions must be offered separately in the syllabus for the minimum required age groups, yet the feis committee may combine an age group with the next higher age group if there are fewer than 5 competitors entered in the lower age group. A feis committee is not permitted to combine dancers from one preliminary championship age group with any age group which is more than one age group higher than the age group in which the dancers are entered.
- 16) Open Championships and Preliminary Championships require at least three adjudicators.
- 17) First place winners in the Open Championship category cannot return to a Preliminary or Open (Prizewinner) competition. Placing in a Regional or National Oireachtas does not change the status of a competitor. If, after competing for two full feis years at the Open Championship level, a dancer has not placed first, second or third, he/she may opt to return to Preliminary Championship status.
- 18) The status of the dancer does not change unless there are five or more dancers in a competition.
- 19) In championship events or solo set dance events: Introductions for set dances will be played only once and competitors must set their speeds during that one playing, no variation in speed will be allowed once dancing is due to commence. Dancers beginning before or after the stipulated set-dance introduction will automatically receive a zero for that round from the/or all adjudicators. (CLRG AGM 2011)
- 20) Grade Category Definitions:
- Beginner Grade: A beginner is a competitor who has not taken a full year of Irish Dance lessons, thereby giving beginners a full year with such status. A Beginner must move into the Advanced Beginner category the next year.
- Advanced Beginner Grade: An Advanced Beginner who wins 1st, 2nd, or 3rd place will advance to the Novice category in that particular dance.
- Novice Grade: A Novice dancer who wins a 1st place in a dance will advance to the Open (Prizewinner) category in that particular dance. In addition, if there are twenty or more dancers, a dancer who wins 1st place or 2nd place in a dance will advance to the Open/Prizewinner category in that particular dance. (Dec 2012)
- Open Grade (Prizewinner): A competitor who does not qualify as a Beginner, Advanced Beginner or Novice.
- Adult Dancer: An adult dancer beyond Beginner is defined as any dancer who start Irish dancing at the age of 18 or older, or any dancer 18 or older who has not competed in at least five years in a Youth competition AND has never placed in the top three in a youth Preliminary competition of more than five competitors.

- Adult Beginner: An Adult beginner is a competitor who never took Irish dancing lessons as a juvenile and is over 18 years of age. Other Adult grades follow the descriptions above.
- Masters Preliminary and Masters Open: A dancer over the age of 25 currently competing in either youth championship level may move at any time into the corresponding Masters level, but will then no longer be eligible to compete in a youth solo championship.
- All Masters Levels consist of one light round (reel or slip jig) and one heavy shoe (treble jig or hornpipe) to facilitate the possibility of merging at Southern Region feiseanna. Feiseanna may offer additional Masters level competitions, including traditional set, non-traditional set, etc.
 - Masters level dancers progress from Prelim to Open, youth competition rules apply. A win in any *combined* Masters competition of five or more competitors would count towards that progression.
- © All southern Region feiseanna may combine the Masters levels into one competition in the event that fewer than five Masters Preliminary level

dancers are entered.

- (e) All Southern Region feiseanna must offer Masters level competitions starting May 1, 2021.
- (f) Masters level solo dancers competing in ceilis must compete in the Youth ceili categories
- (g) Southern Region offers separate solo championship competitions for Masters at our regional Oireachtas starting in 2021, with non-traditional set as the third round for Masters.

Other:

 - (b) The syllabus must contain all Grade Categories.
 - (c) Boys and girls enter the appropriate age group in the appropriate grade for each dance; after entries have been closed, in any competition where five or more boys are entered, the feis committee will run a separate competition for these boys.

(CLRG AGM 2011)
- 28) No block, en pointe, toe walking movements, stationary or moving, is allowed to be performed for all ages up to and including the under 12 age group. However, after September 1 of each year an exception is made for those dancers who are 11 dancing in the under 12 age group.
- 29) Make-up is prohibited on a dancer in the first three grades (First Feis (if offered), Beginner and Advanced Beginner or their equivalent) up to and including the under 12 age group.
